MONSTER

Tenma intenta introducirse en la República Checa para buscar a la madre de Johan.

La policía de la frontera detecta que es un inmigrante ilegal, pero él consigue escapar por los pelos gracias a la ayuda de Grimmer, un periodista freelance.

Finalmente, ambos se separan sin preguntarse mutuamente sus motivos respectivos para dirigirse a la República Checa. De hecho,

Grimmer también está muy interesado en el Kinderheim 511, que existiera antaño en la Alemania del Este.

Pero ahora la historia cambia de escenario a Praga.

LA QUE SUK
ESTÁ OBSE-
SIONADO!

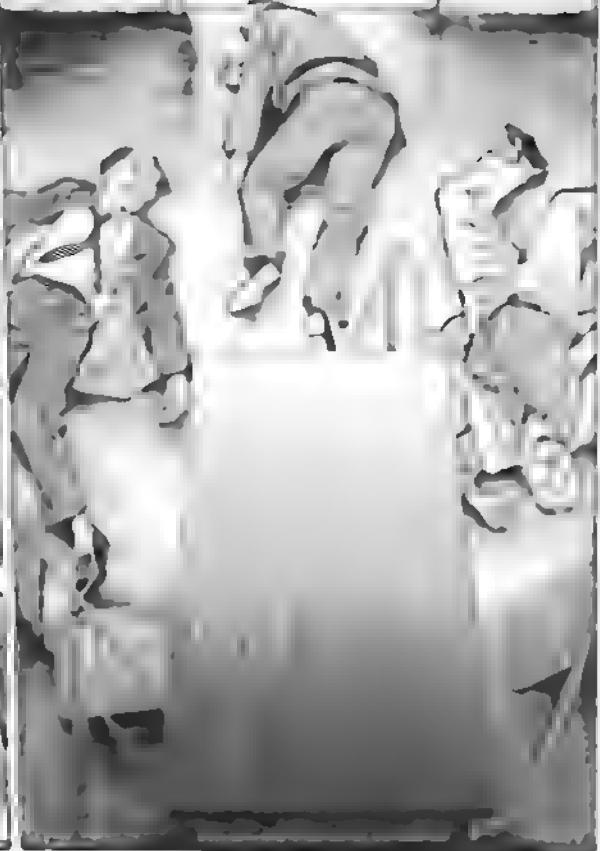

EQUÉ
TE OCU-
RRE DE-
TECTIVE?
PARECES
TRISTE.

ESTE ACABA DE DESCUBRIR UN ASESINATO MÁLTIPLE EN LA COMISARÍA DE POLICIA DE PRAGA.

EL COMISARIO HAMLIK, EL CAPITÁN PATRAKA Y EL DETECTIVE SANACEK HAN SIDO HALLADOS MUERTOS.

SI QUIEN PUEDE HABER COMETIDO SEMEJANTE ACTO DE BRUTALIDAD

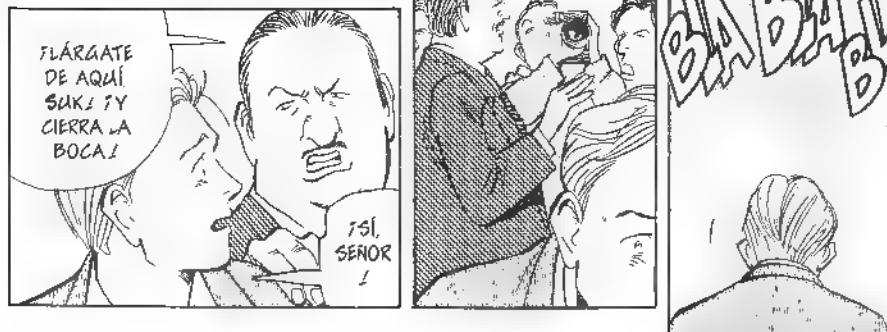

ES POSIBLE QUE ESTE TRIPLE ASESINATO ESTÉ RELACIONADO CON LOS RUMORES QUE VINCULAN AL ACTUAL CUERPO DE POLICIA CON LA POLICIA SECRETA DE LA ANTIGUA CHECOSLOVAQUIA.

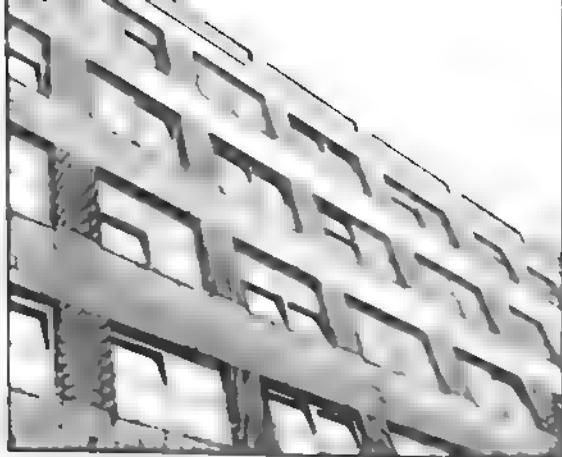

SI ES ASÍ, LA MUERTE DE ESTOS TRES AGENTES DE LA LEY PODRÍA DESATAR EL ESCANDALO.

COMO PUEDEN OBSERVAR DESDE SUS PANTALLAS, LOS MEDIOS DE COMUNICACIÓN SE HAN AGOLPADO A LA ENTRADA DE LA COMISARÍA A LA ESPERA DE DECLARACIONES.
